

## USIOT 2025–2026 Qualification Round 4 Results

The fourth qualification round marks the final qualification round of the United States Informatics Olympiad in Teams (USIOT) 2025–2026 competition season. Following review and verification of results, the following teams have qualified for the USIOT 2026 National Finals in San Jose, California.

### Teams Advancing to the USIOT 2026 National Finals

- Writing's Not That Easy But Grammarly Can Help
- Infinite Loop Labs
- Gemmar
- Shiroko Simps
- init to win it
- C++ Cids
- backslash00
- TLE Test 67
- West Ranch Coding Olympiad Team

### Notes from the Contest Director

Qualification decisions were based solely on official contest performance in accordance with USIOT rules and scoring procedures. This concludes the qualification phase of the 2025–2026 USIOT season. No additional qualification rounds will be held. Teams advancing should begin preparing for National Finals logistics immediately.

If your team is listed above and your student team leader (the email listed on the registration form—the individual who registered the team) did not receive an official qualification email,

please contact [director@usiot.net](mailto:director@usiot.net) as soon as possible.

All qualified teams must complete the required National Finals registration Typeform, linked on the USIOT National Finals website, by the stated deadline. Failure to submit the form may result in forfeiture of qualification.
